

Appl. No. 10/708,538  
Amdt. dated July 06, 2005  
Reply to Office action of May 18, 2005

**Amendments to the Claims:**

This listing of claims will replace all prior versions, and listings, of claims in the  
5 application:

**Listing of Claims:**

Claim 1 (previously presented): A photo printer comprising:  
10 a housing;  
a circuit board installed within the housing, comprising a control circuit  
for controlling an operation of the printer and a first set of female  
conducting terminals;  
a connection module comprising an adapter which comprises a first set of  
15 male conducting terminals for engaging with the first set of female  
conducting terminals, a second set of male conducting terminals, and a  
shell for accommodating the adapter;  
an external card for storing data, comprising a second set of female  
conducting terminals for engaging with the second set of male  
20 conducting terminals; and  
a dust-preventive member covering the shell for preventing dust from  
entering the photo printer.

Claims 2-3 (cancelled).

Claim 4 (original): The photo printer of claim 1 wherein the external card is a  
25 compact flash card.

Claim 5 (previously presented): The photo printer of claim 1 wherein the housing further
